

Instructions for Authors – Julius-Kühn-Archiv

Manuscripts written in English should be sent as **e-mail** to (**owd@jki.bund.de**) or provided on CD at the conference registration help desk. Deadline for receiving manuscripts is **September 10th**.

Authors are requested to prepare their manuscripts as follows: double spaced, Times New Roman 12, tables and figures should be placed at the end of the text, one per page, followed by pages with the legends, marked with figure number and orientation unless obvious. Add numbers to all pages and lines. We strongly encourage authors to seek the help of a native English speaker before submission of the manuscript.

Papers should usually be divided into the following sections: Title, Author(s), Authors address, Abstract, Key words, Introduction, Material and Methods, Results, Discussion, Literature cited.

Literature citation, e.g.:

Lahogue, F.; Boulard, G.; Schneider, C.; 1995: Comparaison de différentes techniques de greffage vis-à-vis de leur efficacité de transmission virale sur vigne. *Vitis* **34**, 177-183.

for articles in conference proceedings and monographs:

Dry, P. R.; Loveys, B. R.; Botting, D. G.; 1996: Effects of partial rootzone drying on grapevine vigour, yield composition of fruit and use of water. In: C. S. Stockley; A. N. Sas; R. S. Johnstone; T. H. Lee (Eds.): Proc. 9th. Aust. Wine Ind. Techn. Conf., 128-131. Adelaide, Australia (Winetitles: Adelaide).

Alternatively you can use the **Endnote / Reference Manager output style “plant breeding.os”**.

Papers are limited to **8 printed pages**. The final size of a paper may be calculated as follows: One printed page usually has ca. 6500 characters. **Scientific Names** must be written in italics. Cultivar names must be written as follows: 'Chardonnay'. Abbreviations are only allowed if internationally used.

Texts files of the manuscript must be sent as MS-Word files. Tables must be created with the table-function of MS-Word. **Special characters** (e.g. greek, mathematical) must be created with the symbol-function of MS-Word. Every **figure, diagram or photo** must be sent as separate file. Embedded figures, diagrams or photos cannot be accepted as well as articles in PDF-format. Photos are in black and white only and must be sent in TIFF- or JPG-format (no compression). The resolution must be no less than 300 dpi. All file names should begin with the first author's surname.
